

Kit Carson Riding Club Runs on Volunteers

KCRC is powered entirely by volunteers, and every event we host depends on the time, energy and dedication of our volunteers and supporters. From parades to gymkhana, trail versatility and concessions, each event relies on all of us pitching in to make it a success. Whether you can give a little time or a lot, your support makes a meaningful impact.

To ensure volunteer hours are counted toward buckle eligibility and end-of-year awards, please log all volunteer time using the tracker below.
