General KCRC Ground Rules

1. Any contestant who, through lack of control or poor sportsmanship, endangers the safety of other contestants will be penalized or disqualified for the event, at the Event Director's discretion.
2. Abuse of one's mount, excessive whipping, jerking of the reins, excessive spurring or kicking, striking the horse with any object etc., is strictly prohibited. Violation of this rule will result in the disqualification for that event. Repeat offenses may result in disqualification for the entire evening,
3. Riding carelessly around the grounds is prohibited. Trotting, cantering, loping, or galloping is allowed in either of the two arenas and the round pen. Trotting outside an arena is allowed along the North fence line only.
4. Footwear with an appropriate heel must be worn. Ensure that tack is checked and tightened before entering the arena.
5. When passing, pass well off to the side. In any event, warn the rider ahead and pass slowly.
6. No bicycles will be allowed to be ridden in the vicinity of the horses or horse trailers.
7. Dogs are allowed on the grounds as long as they are under control. If a dog is upsetting any mounts, the dog must be secured in a safe manner away from mounts or must leave the grounds.
8. Being under the influence of illegal substances, rowdiness, quarreling will not be permitted at any function.
9. No littering. All refuse must be placed in garbage cans located around the grounds.
10. Cooking on grills or fire pits is not permitted on the property during gymkhanas.

Gymkhana Reminders

1. Be Ready! Contestants will have three warnings they are up next. At the time of the final call, the rider has 30 seconds to enter the arena. A rider's failure to do so will result in disqualification for the event.
2. Only two horses per rider will be allowed. As a KCRC member, it is the rider's responsibility to specify which horse is running for points for end of year awards when registering. Non-Members will be responsible for specifying which horse is running for the ribbon points that night. The announcer that night MUST be notified of a change of horses before the event is run, or there will be no points awarded for that run.
3. Time to begin and complete pattern (not applicable to lead line): As a general guideline and courtesy to all riders, once the entry gate is opened, riders should begin pattern in approximately 1 minute and complete pattern in approximately 2 minutes. When time has been exceeded, please exit arena so that the event can proceed in a timely fashion—thank you.
4. Sharing horses: If sharing horses please let registration know so that they can space riders out to allow time for tack changes
5. Electronic Timer: Electric eye timer is the official time and cannot be challenged.
6. Re-runs: A re-run will only be given if due to an electric eye failure. A re-run must take place before the end of the event being rerun or as Announcer/Event Direct deems appropriate.
7. Any club member can participate in the gymkhana but in order to qualify for the buckle competition, the participant application for membership must be approved by the April Board Meeting.
